Week 15.04.24

Goodbye Miss Cooper!

Sadly, we said goodbye Miss Cooper this week who has finished her final placement with us. We will all miss her and wish her the very best of luck with her teaching career.

What have we been learning about this week?

Learning Means the World

We have started our new conservation unit 'Under the Canopy'. On Wednesday we created our own family trees and discussed how everyone's family is unique and special.

Maths

We have blown Miss Beswick and Miss Cooper away this week with our fractions learning! The children have been ordering and adding fractions. We know that we need to look carefully at both the numerator and denominator.

Spanish

We have been learning Spanish fruits this week. We also enjoyed reading 'The Hungry Caterpillar' in Spanish!

Class Photographs

A reminder that on Thursday 25th April, Tempest Photography are visiting school to take class photographs. If this is a PE day for your child, please send them to school in their uniform with their PE kit to change into later.

Our theme is Collective worship is hope.
