Week 10.06.24

We can't believe that it is our final half term in Year 3, the year has gone so fast!

A reminder about homework

Homework is sent out on a Friday and due back in on a Thursday morning. This is also the deadline for TT Rockstars homework online. Please ensure that you complete both the spelling and TT Rockstar sessions each week.

What have we been learning about this week?

Learning Means the World

This week we started our new unit, 'Come Fly with Me Africa'. We have been using atlases to locate the different countries within the continent of Africa. We found out why certain animals that live in Africa are known as the 'Big 5'. In order to find out more we watched 'The Lion King' and made notes about the animals and landscape that we observed.

Maths

This week we have been learning about time. It has been quite challenging! We have been telling the time to the minute and converting times between digital and analogue.

English

Our new English text is the Finn Family Moomintroll! It has lots of imaginative vocabulary in it and we will be challenging the children to use some of this vocabulary in their own writing.

Spanish

In Spanish this week we learnt to use the verb 'ser' which means to be. We used it to describe the colours of Elmer.

PE

We are starting to practise ready for Sports Day!

Our theme is Collective worship is Joy.
