

Esk Class News

Week 24.06.24

It has been lovely to see the sunshine this week, hopefully it will continue! Please make sure you bring a sun hat, water bottle and sun cream into school each day.

A reminder about homework

Homework is sent out on a Friday and due back in on a Thursday morning. This is also the deadline for TT Rockstars homework online. Please ensure that you complete both the spelling and TT Rockstar sessions each week.

What have we been learning about this week?

Learning Means the World

We have been scientists this week as part of our unit, 'Come Fly with Me Africa'. We have been looking at the different African animals and classified them into a range of categories. In particular, we looked at the types of teeth that the different herbivores, carnivores and omnivores had.

Maths

This week we have been learning about angles. We have made our own right angle measurers, which have helped us to compare acute, obtuse and right angles.

English

We have been looking at different word types this week. We have collected exciting adjectives, verbs and adverbs. We will use this next week when we write our own Moomin adventure stories.

Spanish

In Spanish this week we learnt to write and pronounce the days of the week.

PE

We are very excited for Sports Day next Friday and hope to see lots of you there!

Our theme is Collective worship is compassion.
