Our Federation

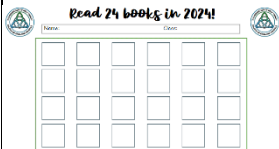

Dear Families,

World Book Day

We are blown away every year by the success of World Book Day! The pupils, parents and staff work so hard every year to make it a memorable day, and this year was no exception! The costumes were fabulous; (what an array of characters, pyjamas and dressing gowns) the atmosphere was energetic and the enthusiasm for all things 'booky' was exactly what we had hoped for - so a big thank you to everyone involved!

The Trinity Book Café and the Book Swap Shop were hugely popular features of the day. It was fantastic seeing families and friends enjoying choosing and reading books together all around school. The Year 6 pupils did an amazing job of reading to the Infant classes and then hosting Infant parents at the café in the afternoon. They were super role models!

We launched our reading challenge: 'Read 24 in 2024', and today, challenge cards have already been stamped all over school! We can't wait to see and hear all the fabulous books that will be read in 2024!

Have a look at the school website latest news page for more photos from the day! Remember that if you haven't already, the World Book Day tokens can be exchanged in any bookshop for one of the free £1 books, or used to get £1 off any other book.

Easter Fun Day!

On Friday 22nd March the Pupil Governors have organised an Easter Fun Day!

Decorated Egg Competition • Egg Rolling • Chocolate Egg Tombola

- Decorated Egg Competition** Bring a decorated egg! The theme this year is ... Who inspires you? Who is your idol? Prizes for most imaginative themed eggs in each class!
- Egg Rolling** Bring your most athletic hard boiled egg to join in with our famous egg rolling competition Whose egg will stand up to the Great Big Trinity Egg Roll? Prizes for the the eggs that roll the furthest (make sure it is hard boiled)!
- Egg Tombola** Bring a chocolate egg to enter the tombola. Please bring your egg on Thursday 21st March.

Soft Start

Initial feedback from pupils and staff has been very positive - we have also noticed that traffic outside the school has been calmer.

Online Safety Workshop

Thank you to Mrs Gomes and the Year 6 pupils who hosted an Online Safety Workshop on Wednesday Evening. The pupils were incredibly articulate in their explanations of popular social media apps and what to watch out for! The feedback from the adults who attended was positive, and they commented on how informative the workshop had been. Well done Year 6!

Safeguarding

CPOMS

CPOMS stands for Child Protection Online Monitoring System and is used across the Federation for monitoring child protection, safeguarding and pastoral and welfare issues. CPOMS provides our safeguarding team with a system to help with the management of child protection, behavioural issues, bullying, and additional educational needs. Every member of staff across school has a responsibility to report any concerns which they may have. CPOMS allows this information to be recorded on an online secure system which alerts relevant staff immediately. All staff can record their concerns only designated staff have access to the information stored. Senior leaders are able to build a chronology around a student and can produce reports for Case Conference Meetings, Governors and other professionals very easily. Our trust (LDLT) has published a CPOMS Handbook setting out the expectations of all staff regarding how the CPOMS system is used across the trust. LDLT guidance ensures clarity and transparency across the trust. As part of this policy there is a list of agreed categories that are currently used with a brief definition of what they are used for, and who will be automatically notified of the events. As in the Federation categories have restricted access and therefore are only visible to those with DSL or SEND responsibilities.

Class News

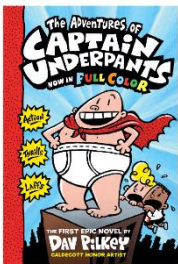

Please see the class pages on our website. Class newsletters will be uploaded fortnightly.

The next class newsletter will be on Friday 15th March.

Inclusion Team

World Book Day 2024

Did you know that best selling author and illustrator Dav Pilkey has diagnoses of ADHD and dyslexia? Dav says that he spent lots of time drawing and making up stories as a child and that his ADHD and dyslexia helped him to achieve great things! Dav wrote his Captain Underpants books to make children laugh and help everyone love reading.

There are so many different types of books around so every child can develop a love of reading. If you feel that your child might benefit from high interest books with a lower reading age, Barrington Stoke sell a range of books specifically for dyslexic learners or those who struggle with reading but still want a good story <https://www.barringtonstoke.co.uk/dyslexic-reluctant-readers/>

You can fill in an online survey here <https://www.northyorks.gov.uk/LetsTalk> – the survey is on Commonplace, which is a safe and easy-to-use online tool used to engage with communities, by over 250 organisations including neighbouring councils in Leeds and West Yorkshire.

If you would prefer, you can pick up a paper copy from your local library, leisure centre or main local office and return it in the envelope provided.

You can also email letstalk@northyorks.gov.uk or call **0300 131 2 131** (please say 'Let's Talk' when prompted) to request a survey.
