

# Laver Class News

Week 11-15<sup>th</sup> March

Laver have been super busy with all their learning this week!

*What have we been learning about this week:*

## Learning Means the World

We started our new topic Children's Champions this week. We have been learning all about Thomas Barnardo and looked at what was inside his suitcase.

## Maths

This week we have started looking at Numbers to 50. We have been looking at finding missing numbers in a sequence and identifying how many tens and ones there are in a number.

## Reading

In phonics we have been working hard learning our alternative graphemes to our phase 5 phonemes.

## Writing

This week we are excited to write our final piece of writing for Story Path.

## World Book Day

We had a fantastic day on World Book Day. Thank you to all the parents for helping with all the costumes and excitement of the day! We shared lots of stories, made bookmarks and designed our very own Superhero Potato!

## Science Day

We had a brilliant day being scientists. We looked at the time of year and the weather we would find in different seasons. We also helped Professor Jiffy on a minibeast hunt!

**Our theme is Collective worship** is reflection as part of our Rhythm of Life Lent Journey.
