

SPORTING INFLUENCE

Improving Social Skills Through Sport

PE with Mr Banks

It's Easter already, and we've come to the end of another productive half-term of PE! The children in Y5 have continued to make good progress on Wednesday mornings in two different areas of the curriculum.

Coming back after Christmas, we developed our Gymnastics skills. The children worked hard to incorporate a variety of shapes, movements and partner balances into sequences both on, over and under equipment. There are some very creative gymnastics in the class, including those that wouldn't necessarily choose Gymnastics as their 'most favourite' part of the PE year - you should all be very proud.

More recently, we have worked hard on our team building, teamwork and OAA skills. OAA involves lots of games and activities that require intricate communication between pairs and teams, and we are continuing to learn what makes a good team-member.

Our activities have included The MineField, Indoor Orienteering and a school-wide 50 Easter Egg hunt!

Have a wonderful, relaxing Easter break and I'll see you in the Summer term.

Mr Banks
