## Parents' Evening

Thank you to all parents who attended our Parents' Evenings. We were delighted with the positive feedback from parents, especially around our Learning Means the World Curriculum!

If you have not managed to speak to your child's teacher please contact the office to make an appointment.

## Mosaic Mystery Solved!

Our Infant Pupil Governors have solved the mystery of the mosaic! With help from the Stray Ferrett, we have been in touch with Malcolm Hollingdrake, one of the original art students from Ripon College who designed the mural back in 1974. On Friday 12<sup>th</sup> April, Malcolm will be visiting the Infant site to talk to the children and help them in an art project inspired by the mosaic, which they will be working on with Mrs Needham, our art teacher. Throughout the morning, families and visitors are welcome to visit school to see the mosaic and talk to Malcolm about the original design. It will be the first time in 50 years that Malcolm will return to see the mosaic! Join us for tea and cake in the hall. Timings will be confirmed ahead of the day.

## Soft Start

Following the first few weeks of our 'Soft Start' timings at KS1 and KS2 we would like some feedback from parents as whether you would like this to continue into the Summer Term. Please complete the form using the link below (all responses will be anonymous).

So Easter is just around the corner & the JD team are offering a 7 day camp over 2 weeks!! Our camps are very popular and very much in demand so don't hesitate in booking as you could miss out.

What do our days consist of I hear you say?

Well, we start off with mini fun games and then break the morning into 2 sessions where the children will learn new skills, drills and much more. We allow good time for water/snack/lunch breaks throughout the day and then finish off with a group tournament which the kids absolutely love!! ⚽⚽ We offer prizes and the end of the week where the children can win footballs or even our very own merchandise.

Our camps are online pay through the form now, so please ensure the form is filled out correctly. Weather is all over the place at the moment but improving, so please bear this in mind when sending your kids to our camps and make sure they have sufficient warm/waterproof clothing hats and gloves.

Shin pads are a must, so please ensure all kids have these as I don't want them miss out on activities because they don't have the correct protection. Ensure each child has a water bottle (can be refilled) and a packed lunch.
