

The Federation of Holy Trinity Church of England Schools Computing National Curriculum Coverage

KS1 National Curriculum Objectives Pupils should be taught to...	Happily Ever After	Inter-Nation Media Station	Unity in the Community'	'Land Ahoy	Royal Patrons'	Dancing Spy'	Never Eat Shredded Wheat'	Paddington's Passport'	'Children's Champion'	Record Breaker'	Light Up the World'	'Going Wild!'	'Come Fly With Me!'	'Zero to Hero'	Safe Zone Lessons
understand what algorithms are; how they are implemented as programs on digital devices, and that programs execute by following precise and unambiguous instructions															
create and debug simple programs															
use logical reasoning to predict the behaviour of simple programs															
use technology purposefully to create, organise, store, manipulate and retrieve digital content															
recognise common uses of information technology beyond school															
use technology safely and respect, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the Internet or other online technologies
