

Art & Design

Rationale

Why is Art important at The Federation of Holy Trinity Church of England Schools?

- ✓ Art education has been proven to have remarkable impact on academic, social, and emotional outcomes, helping us develop empathy as we learn more about societies, cultures and history.
- ✓ Engagement with art helps us stretch our minds beyond the boundaries of the printed text or the rules of what is provable to encompass visual-spatial learning and develop motor skills.
- ✓ Through art, we learn to express ourselves confidently and creatively.

Meet Dali

Meet Dali! Dali is an artist. As one of the world's greatest artists, Dali just loves using a range of materials, skills and techniques to express his different creative ideas using his imagination and observations.

Dali knows that art and design allows us to express ourselves in so many ways; the sky is the limit!

As Artists at The Federation of Holy Trinity Church of England School we want...

Art to engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment and invent.

Art to allow pupils to express their feelings and ideas, both as a means of self-expression and to communicate with others.

Pupils to connect with their own culture, as well as with the wider world, through art.

Art to help pupils to begin to develop an understanding of how it reflects and shapes our society, contributing to a nation's culture, creativity and wealth.

Learning through art to develop pupils' language skills, social skills, decision-making and risk-taking.
