Collective Worship

Next week in collective worship the core Christian value we are focusing on is Peace

The prophet Isaiah spoke of a time when peace in its fullest sense would become a reality on earth. He told us that peace on earth would be led by a Prince of Peace. Before his own death Jesus told his disciples that they would enjoy a sense of peace that nothing else in this world can give. It is a peace which comes from knowing the Jesus is always with us – it is the peace of God which passes all understanding. 'Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. John 14:27'

Our Federation

Dear Families,

April Afternoon Tea 100% Challenge

Well done to all those pupils who achieved 100% attendance in April! There were 78 100% attenders in the Infant school which is 48% of the school! 100% Attendance in the junior was a fantastic 66% with 147 pupils achieving 100%!

Congratulations to Dylan Moran & Zebedee Wilson and their families who have won a scrumptious afternoon tea at The Wakeman Café.

Pastoral Contact

We know that there can, at times, be people who have questions and worries about children, their well-being, progress at school and other things which also impact at home, like sleep, diet, behaviour etc. If you would like a chat, a cuppa, or have ideas that may be helpful for families and our school community, then please contact Mrs Satariano in the office who will make sure a member of the team contacts you or email pastoral@htceschools.co.uk

Defibrillator Appeal for Church Lane

Parents received a letter from Rev Chris asking for donations towards a defibrillator that will be installed at Holy Trinity Church. Pupil Governors at the Junior school heard about this letter and were curious to why the church needed a defibrillator. When they realised how vital a defibrillator could be in saving someone's life, they decided to hold their own fund-raising event to help the church buy this essential equipment.

Hello,

Robert and Alice here! We are Year 5 Pupil Governors. We are organising a cake and bun sale to raise money towards a defibrillator for the church. The Cake and Bun Sale is on Friday 10th May on the Junior School playground at 3.30pm.

Please could you donate any cakes, buns, cupcakes or biscuits toward our sale. If you could bring them to school on Thursday 9th May or Friday 10th May.

Also on sale will be some bracelets, anklets and rings made by Year 6!

Thank you!
Robert and Alice

LDLT Poster Competition

Last week our Year 6 Pupil Governors met with other pupils from our academy trust LDLT. Richard Noake (CEO) explained to the children our school is now part of a larger family of schools from across the local areas of Leeds and North Yorkshire. Together we all make up LDLT (Leeds Diocesan Learning Trust). As a group of schools, LDLT all believe that we should live, love and learn together.

To celebrate the schools coming together LDLT have invited pupils to take part in an exciting competition this term. Pupils are asked to produce a piece of artwork on either A3 or A4 paper to show what the LDLT vision means to them, their school or their local community. Pupils are welcome to bring entries from home.

Competition closing date in school is 30th June

Staffing Updates

Last week we held two days of interviews to appoint new members of the teaching team to Trinity. These appointments are for vacancies already in school i.e. where supply staff have filled vacancies where staff have left mid-year. We are delighted to welcome Mrs Kat Knight, Miss Harriet Davison, Miss Madeline Lee and Miss Taylor Grayson to the team. We are in the process of allocating staff to specific classes. Our whole school transition day is Wednesday 10th July. All pupils will spend the day with their class teachers in their new classrooms.

Safeguarding

Your Child's mental health

Signs of depression or anxiety in children can sometimes look like normal behaviour, particularly in teenagers who might keep their feelings to themselves. So, knowing how to talk to your child about their mental health is important. Many children or young people will feel stressed or anxious about things like exams or moving to a new school. But while these experiences can be challenging, they're different from longer-term depression or anxiety, which affect how a child or young person feels

Head Lice in school

We have had some confirmed cases of head lice at the Infant school. Whilst lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any headlice can be dealt with quickly and before they spread further.

As there has been an outbreak, we suggest you check your child's head as soon as possible. Here is some simple advice you may wish to follow to keep headlice outbreaks to a minimum.

- Check your child's hair once a week.
- Use a proper detection comb- with teeth no more than 0.3mm apart to trap head lice.
- If you find live lice, consult a pharmacist to check the whole family.

Further advice on the treatment of head lice can be found on the NHS website.

Attendance Absence Reporting Reminder

If your child is absent from school due to illness, please telephone school on 01765 602858 and inform the office staff ideally between 8.30 and 9am. If your child's illness lasts for more than one day, you must phone school daily and inform us why your child is still absent. If your child's illness lasts longer than 48hrs and you have not already done so, we advise you to seek medical attention. If you do not inform school and we cannot make contact, a member of the leadership team may visit your home to check all is well and ask why your child is absent from school. It is very important that you contact school and inform us why your child is absent. If we do not hear from you, we will be concerned and may make a referral to outside agencies.
