

Ribble Class News

Week - 30.05.24

It's been another busy and enjoyable couple of weeks in Ribble. We absolutely loved our River Walk and we have continued to be inspired to be eco-warriors by our Global Warning topic. The children are getting very excited about Numeracy Day tomorrow and we are very competitively taking part in the TTRockstars Battle of the Bands - we have been at the top of the leader board for a couple of days and are very hopeful that we will retain our title as Rockstar school champions!

What have we been learning about this week?

Learning Means the World

Everyone has really enjoyed this half term's topic and we have had a focus on geography and science. We especially loved an opportunity to do some fieldwork on our river trip. All the adults who came with us were so impressed by the children's enthusiasm and behaviour out in the community and we had many positive comments from members of the public who met us while we were out and about!

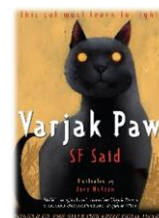

Maths

We have just begun a new unit on decimals and have been using what we know already about adding and subtracting whole numbers to help us when adding and subtracting decimals. The children have been so good at making links between what they know and new learning and have made a great start!

Reading

We are loving our unit on Varjak Paw and are gripped by the story. The children have been using what they have read to give them ideas for their on writing and we have thoroughly enjoyed reading what they have written. After half term, the children will be writing their own adventure for Varjak and his friends - we can't wait to see what they come up with!

PE

We have had a couple of disrupted weeks due to SATs and the weather and the children have been great, adapting to new games indoors and out. We have definitely got a few sports stars of the future!

Numeracy Day

Friday is Numeracy Day and we will be dressing up as Rockstars and having lots of maths fun! There are competitions and activities going on throughout the day.

Our theme is Collective worship is Wisdom
