

Ribble Class News

Week 24.06.24

We have had a very busy (and warm) time in Ribble over the last couple of weeks. The year has just flown by and I can't quite believe that we only have three weeks left together before the holidays. The children were so excited to learn that their new teachers will be Mrs Hewitt and Mrs Gomes and are very lucky to be staying in the best classroom in the school!

What have we been learning about this week?

Learning Means the World

We have been working hard on our 'Come fly with me, America' topic. We have been learning about Christopher Columbus and how he discovered America. We move next to learning all about the Native American Indian tribes. We look forward to some fascinating research and presentations to the class about the different tribes.

Maths

This week we have been learning all about negative numbers and we have been delighted with how the children have embraced their learning and progressed well with a very tricky topic. We have also been revising long multiplication and division - we had remembered so much! A fantastic effort all round.

English

We have been reading a very unusual book over the last few weeks called 'Cloudbusting' by Malorie Blackman. We have really enjoyed the story with the theme of bullying written as a different poem for each chapter. We have been discussing the feelings of the two main characters and learning the effects that bullying can have on a child. It was amazing to hear the powerful arguments put forward by the children on this subject.

PE

As you can see are very excited for Sports Day next Friday and have been practising hard. We hope to see lots of you there and we have put in our request for fine weather!

Our theme in Collective worship is compassion.
