Collective Worship

Next week our theme in collective worship is *Courage*

'Be strong and courageous: do not be frightened, for the Lord you God is with you wherever you go.' Joshua 1.9 Courage is often about continuing to do what you would normally do even when faced with extraordinary situations. Christians believe that God asks us to offer our skills, talents and abilities in the face of adversity, and that he will use that courageousness to achieve great things. The word 'courage' comes from the Latin word 'cor' = heart.

Our Federation

Dear Families,

Boost!

A huge thank you to the Boost team who organised a fabulous event for Trinity pupils!

Whole School Transition Day

On Wednesday 10th July, all pupils will spend the day in their new classroom with the staff they will be working with in September. Pupils should arrive on the day at the school they will be attending i.e. Year 2 should arrive and be collected from the junior school. Pupils will line up on the playground on the second bell.

Hutchinsons

Our new caterers in September have been in school this week and we are very pleased to be able to share with you the schools new Autumn menu. These will be on a 3 week rotation. These menus will sent out next week to parents. School lunches will be ordered in the same way as we do now - children will be asked what they will be having at morning registration and if parents pay for these meals, please make sure you top up your Parentpay accounts.

Earrings

Please can we remind children and parents about our school policy regarding earrings. Only small stud earrings, no hoops and earrings must be removed for PE lessons.

Around the World Open Afternoon Junior School 12/07/2024 2.30pm – 3.30pm

Junior school parents are invited to join their child in class and experience what pupils are learning this term.

Regards

Sue Sanderson

If your child is off school due to sickness

A number of our children within school have been unwell with vomiting and/or diarrhoea. If your child has any symptoms or is feeling genuinely sick, so not send them to school. They should then not return to school until 48 hours (2 days) after their last symptom. This is because you can still excrete and pass on the virus to other people even though you may feel better. If you receive a telephone call from school advising that your child is unwell, please make arrangements to collect your child as soon as possible.

Parentpay

Please can parents check their Parentpay accounts. All meals that have been taken will now show on your accounts and payment needs to be made.

Feast Summer Activities

If your child is in receipt of benefit related Free school meals you should have received an email from FEAST regarding free holiday activities. Please see the link below for more information and how to book the activities. If you have not received an email please check your junk folder as it may have been sent there. Or if you are unsure please contact the school office.
