

Laver Class News

Week beginning 15th July 2024

What a fantastic year we have had in Laver. The children have worked incredible hard and have made brilliant progress which they should all be proud of!

Here are a few quotes from the children about their time in Year 1.

I have enjoyed learning to tell the time!

I have enjoyed reading books in our reading corner.

I have enjoyed building tall structures in the small world area.

The Inuit throat singing was fun, we got to make lots of noises!

I would like to take the opportunity to thank all parents and families for your support this year. I hope you all have a lovely Summer holidays and I look forward to seeing you all in September!

Miss Ward
