

# Swale Class News

Week 09.10.2023

This week we have thrown ourselves into our learning and have been working with our learning partners incredibly well.

## Learning Means the World

This week we have been continuing our exciting adventure into our Lightning Speed topic. We have raced against the internet and investigated what affect a switch has on a circuit.

## Maths

We have been using column subtraction to subtract 4-digit numbers, focussing on exchanging and working through the question methodically.

3 What digits have been covered?

	Th	H	T	O
	3	2	5	3
-	2	1	6	
	1	1	2	

	Th	H	T	O
	4	2	3	6
-	2	3	2	
	1	5	3	

	Th	H	T	O
	6	7	2	9
-	3	3	3	
	3	3	3	

	Th	H	T	O
	3	3	3	3
-	2	1	2	7
	6	4	3	8

## Reading

We have immersed ourselves this week reading non-chronological reports and non-fiction texts to understand the features of a non-chronological report.

## Writing

Our focus this week had been learning about subordinating conjunctions, subordinating clauses and main clauses. We have been using these skills to create exciting sentences, working towards our final piece of writing – a non-chronological report on Polar Bears.

## PE

We are continuing to practice tag rugby skills and have learnt a variety of new skills in our circuit training,

## RE

Our big question is “What does it mean to be a Hindu in Britain Today?.” This week we are focussing on exploring how Hindu life can be seen in Britain today.

**Our theme is Collective worship** is Our theme is Wisdom and we have been introduced to our wise owl who will help us to use this valuable learning skill.
