Half Term - Monday 30th October ~ Friday 3rd November

Our Federation

Dear families,

Open Morning

Next Wednesday, 18th October, from 9:15am – 10:30am, all families are welcome to join us in school for a maths themed open morning. You will be able to visit your child's class and join in with them working on a variety of mathematical learning tasks that would form part of a normal daily maths lesson.

Please enter the Junior site via the playground gates, and then through the main entrance. You will be asked to sign in as you arrive. On the Infant site, please enter via the main playground green gates, where you will also be asked to sign in. You will then be directed to your child's classroom.

We are very much looking forward to welcoming you into school, and the children are very much looking forward to showing off their fabulous mathematical learning!

Parent Consultations

Parent consultations for all year groups are in the week beginning 24th October:

Nursery parents – Tuesday 24th October 8:30am - 5pm

Bishopton parents – Tuesday 24th & Wednesday 25th October - 3:45pm - 7pm

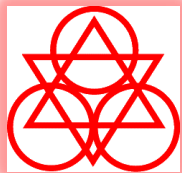

All other classes – Wednesday 25th & Thursday 26th October - 3:45pm - 7pm

If you haven't already, please do book your appointment to meet with your child's class teacher via the appointment booking system [link](#). If you are having any problems booking an appointment, please get in touch with the office staff on either site, who will be glad to book one for you. Both Mrs Sanderson and Mrs Bell-Walker will be available on both evenings should you wish to speak with either.

Get Caught Reading

Photographs for our competition to 'Get Caught Reading' in the most fabulous, unusual or comforting places are starting to find their way into school. We have had the first flurry of entries and are excited by the range we have already seen! Promoting the love of reading is such a high priority in school as the difference it can make to a child's confidence, future education, and their mental health and wellbeing, is immeasurable! Nobody is too old for a good story!

Please send photographs of your child reading wherever and however their imagination allows them, to admin@htceschools.co.uk by Thursday 26th October. Prizes from The Little Ripon Bookshop for the most inventive, original or fabulous entries will be awarded!

And finally.....

You will be excited to hear that our new website is **live!**

The IT team are today in the process of switching the old website 'off' and the new one 'on'!

Please do visit the new website htceschools – we are very proud of it and excited by the opportunities it will give us to communicate more effectively and show off the fantastic things that go on here at Holy Trinity!

Safeguarding

Internet Safety

Our new website has a whole page dedicated to the safety of children online. We designate a significant proportion of time in school to the planning and delivery of age-appropriate online safety education. Part of the most recent requirements that schools must meet are their responsibilities for **filtering and monitoring** systems. In school, we currently use a system call 'Smoothwall' as our provider for filtering unwanted online materials and preventing them making their way onto school systems. This system also supports us in monitoring unwanted materials – including where they have originated from and what was searched online to attract these unwanted materials. There are very clear systems and procedures in place in school, designed to allow pupils the freedom to utilise the undoubted opportunities that the internet provides, whilst also ensuring their experience is a safe one! Please do visit the website for further information.

Class News

Please see the class pages on our new website which will be updated each week with latest news!

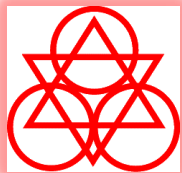

Inclusion Team

The Solihull Approach is proud to introduce a new online resource: [Understanding your own trauma](#)

For those who have experienced trauma or who may be supporting a friend or relative to process trauma, [Understanding your own trauma](#) is a short online course designed to help learners to:

- understand the diverse nature and impact of trauma experiences
- learn effective ways to process trauma
- nurture resilience through healthy relationships
- understand more about emotional health and wellbeing

By following this course, individuals can gain the knowledge and tools needed to better navigate their personal journey and emotional wellbeing.

School Uniform

Please ensure your child's uniform is named. Our lost property cupboard fills up very quickly and it really does help if we can reunite the jumpers and cardigans with their owners!

BECOME A TEACHING ASSISTANT

You could learn for FREE! 92% of learners receive full funding for their course

Our programme of learning for those wishing to become a Teaching Assistant is designed to offer recognised qualifications at a level to suit the individual. If you are looking for a worthwhile career that fits in with school hours, then this is the programme for you.

We ask all learners to first complete a free short **Introduction to working with children** course, where they will look at the basics of how schools function and determine which future learning pathway is right for each individual.

Upcoming online **Introduction to Working with Children** courses:

- Saturdays 25th November - 16th December, 9:30am - 11:30am
- Thursdays 30th November - 21st December, 6:30pm - 8:30pm
- Fridays 1st December - 22nd December, 9:30am - 11:30am

Progression is then to one or more of the following NCFE CACHE qualification courses:

- Level 1 Award in Preparing to Work in Schools
- Level 2 Award in Support Work in Schools and Colleges
- Level 2 Certificate in Supporting Teaching & Learning
- Level 3 Diploma in Supporting Teaching and Learning
