

PARENTING IN THE DIGITAL WORLD

Online or face-to-face
(Midlands based) workshops.

Covering:

- ✓ The realities of the digital world for our children
- ✓ The impact of algorithms
- ✓ Sharing and receiving explicit imagery
- ✓ Ensuring children can have healthy, happy digital lives
- ✓ Talking to your child about their digital life

All workshops include:

- Materials to promote the workshop with your parents
- 50 minute interactive presentation
- 10 minute Q&A session
- Time for individual questions to be asked after the session

**Delivered by
