Collective Worship

Next week our theme in collective worship is Trust.

"Trust in the LORD with all your heart and lean not on your own understanding." We trust in the Lord because He and He alone is truly trustworthy. His Word is trustworthy (Proverbs 3:5,6),

Dates for your Diary

Half Term - Monday 30th October ~ Friday 3rd November

Wednesday 8th November at 6pm - Year 6 SATS Meeting in the Junior Hall

Friday 10th November - Remembrance Service Spa Gardens at 9:15am (Y1 – Y6 pupils attending)

Thursday 7th December - Phonics & Reading Open Afternoon 2.15pm – end of the school day

Our Federation

Dear families,

Congratulations Lollipop Pete!

Congratulations to Pete Wilkinson our fabulous Lollipop Patrol and member of our Lunchtime Team! Pete has been nominated for a St Wilfred Star. The St Wilfred Star scheme is intended to celebrate and thank all those who do so much to contribute to the quality of life in our city and the surrounding area. Over the summer, people have been nominating those they wish to honour in this way.

At 6.30pm on 26th October Pete has been invited to a reception in the cathedral for all those nominated. Awards will be handed out by local dignitaries in the various categories in the scheme. Stars will be suspended in the crossing in the cathedral and names of nominees displayed for some time after the event.

Well done Pete we are all so proud of you!

Open Morning

Thank you to everyone who attended our Maths Opening Morning. Pupils were excited to share their fabulous mathematical learning – some adults were challenged by some of our mathematical tasks! The feedback from parents has been overwhelmingly positive. We would like to invite parents to a Phonics & Reading Open Afternoon on Thursday 7th December 2.15pm – end of the school day.

New Logo

We are delighted to share our new school logo! We have kept the trinity symbol at the heart of it to show our affiliation to Holy Trinity Church. The inner triquetra, also known as a trinity knot, in the centre, represents the Holy Trinity: God the Father, God the Son and God the Holy Spirit and Lord over all the universe. The twists and turns of the trinity knot symbolise the timeless nature of the human spirit. With no beginning and no end, the trinity knot is a sign of eternal life and of God's never-ending love. The inter woven circle represents the notions of the infinite, eternity, timelessness, movement of God.

Poppies

We are proud to support the Royal British Legion Poppy Appeal. Our Year Six pupils will be selling poppies alongside a range of merchandise every day before and after school from Monday 6th November until Friday 10th November. Pupils from Year 1 upwards will attend our annual Remembrance Service at Spa Gardens on Friday 10th November; we would ask that all pupils wear a poppy when attending this service.

Baby Clothes Appeal

At Holy Trinity, we are inspired by the story of the Good Samaritan to help our neighbours, both locally, nationally and globally. During a visit to South Africa, Rev Michelle visited a mission which helps new mothers. Many new mothers arrive at the mission in need of basic provisions for their newborn babies.

Next week head of this mission outreach, Ghila is visiting Ripon. The school would like to support the work of Ghila's mission. We are asking for donations of good quality pre-loved baby clothes (birth to 6 months). Ghila will collect these and take them back to South Africa. Please bring any clothes you can donate to school by Wednesday 25th October.

Curriculum Creature

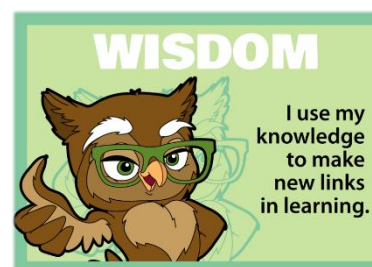

Meet Claude! Claude is a computer scientist.

Computer scientists use technology to solve problems in our world. They develop computing techniques to provide innovative solutions using robots, drones and AI.

Learning Behaviours

At Holy Trinity we focus on, rewarding and celebrating learning! To help pupils recognise and develop their learning we have identified key learning behaviours. We have identified key learning behaviours to inspire a life-long love of learning!

Each week we focus on a different learning behaviour. To see key learning behaviours [click here](#).

Get Caught Reading

A reminder to please send photographs of your child reading wherever and however their imagination allows them, to admin@htceschools.co.uk by Thursday 26th October. Prizes from The Little Ripon Bookshop for the most inventive, original or fabulous entries will be awarded!

Regards

Sue Sanderson

Executive Headteacher

Safeguarding

Acceptable Use Policy

All members of our school community are expected to agree to an Acceptable Use Policy, appropriate to their age and role. As part of our ESafety strategy, all pupils are asked to sign an Acceptable Use Agreement. Staff have spent time explaining this agreement, which outlines how they can use technology in a responsible way.

At parents evening, parents will also be asked to sign an Acceptable Use Agreement.

All Acceptable Use Agreements will be stored centrally in case of breaches of the e-safety policy. We review our Acceptable Use Agreements annually.

A copy of the pupil AUP is available on our website [click here](#).

Class News

Please see the class pages on our new website which will be updated each week with latest news!

Inclusion Team

SEND Support Plans

I am very excited to reveal to you that in response to parental and staff feedback we have revised our approach to SEND Support planning and how we communicate these with families. We have invested in a new interactive platform which will go live after half term to allow a shared space for all SEND Support Plans and linked documentation which both school and home can access at their convenience.

Once I have received confirmation of the launch date from the provider, I will lead a parent information session where I explain the processes and procedures linked to the new interactive platform and answer any questions. I will also distribute a recorded session for those families who cannot attend. Once plans are live, meetings to discuss these with class teachers and/or myself would be welcomed.

The current Target Mat targets will be assessed by class teachers and shared with you during the upcoming parent consultations.

SENDCo Parent Consultations

Wednesday 25th October – Infant Site - Nursery classroom

Thursday 26th October – Junior Site – The Hub (just off the Hall)

Appointments are still available via email s.cope@htceschools.co.uk. When not in consultation, I will be around the school and look forward to meeting some more Trinity families.

Please find details of North Yorkshire's Go-To page, which provides a wealth of information for parents on a variety of topics from sleep, emotional resilience to useful websites to access for anxiety. Please [click here](#) for access. If you would like any further information or support, please do not hesitate to get in touch via email d.hooks@htceschools.co.uk.

Military Children

Our KS1 service children have been busy the last few weeks in Heroes Club. We have been making dream catchers and last week focused our energies on poppies ready to assemble poppy wreaths in school. Great fun was had by all!

Office & Community

Flu Immunisations

Vaccination UK will be running an **appointment only** clinic in Ripon where parents/carers can take their children to if they have missed the flu vaccination in school. The clinic will take place on **Wednesday 1st November 2023** at Ripon and Rural Children's Centre (Outwood School Site) on Clothierholme Road. 5-minute time slots are available from 10am-2pm but please ensure you book in advance.

To book a place for your child please email yorkshire@v-uk.co.uk with your child's full name, date of birth, year group, the best contact number and email address. Vaccination UK will then book your appointment on their system.

School Uniform

Please ensure your child's uniform is named. Our lost property cupboard fills up very quickly and it really does help if we can reunite the jumpers and cardigans with their owners!
