

Swale Class News

Week 23.10.23

Swale were very excited to fill their Jar of Joy and have been rewarded with extra computer and reading time.

Learning Means the World

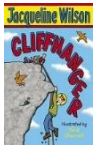

This week we have launched our new theme Law and Order. We are very excited to start this new theme which is a conflict unity. This unit we will be working with our curriculum creatures Dali (Art), Claude (Computing), Sheeran (Music) and Yogi (PSHE).

Maths

We have been continuing with addition and subtraction of 4-digit numbers. We have been looking at how we check strategies using inverse operations as well as problem solving using one and two step approaches.

Reading

We are into our final chapter of our class reading book, Cliffhanger by Jacqueline Wilson. We have been reading aloud thinking about pitch and tone.

Writing

We have been creating an internet safety leaflet, drawing together what they have leaning during our Lighting Speed theme. Children have been focussing on informal and formal language. They then shared their internet safety leaflets with children in Year 3 to share with them how to stay safe online.

PE

This week we have been combining our skills of passing and receiving with non-verbal communication to play 'silent' bench ball.

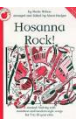

RE

After creating our own chalk salt last week, we have used this to create our final version of our Rangoli patterns.

Art

Children have been building skills in printing this term and have just completed their final product, a marble effect covered book which they have taken home this week.

Christmas Production

All children will be involved in our Christmas production, with some children having individual lines or songs to sing. All songs are uploaded onto Teams and we would encourage children to listen and practice them over half term.

Our theme is Collective worship is Trust.
