

Dear God,

Help us to love one another, to care for each other, our schools, churches and community.

Help us to use our gifts from you to make our school, community and world a better place to live.

Thank you for all you have given us.

Lord guide us through our lives opening up horizons of hope, aspiration and joy!

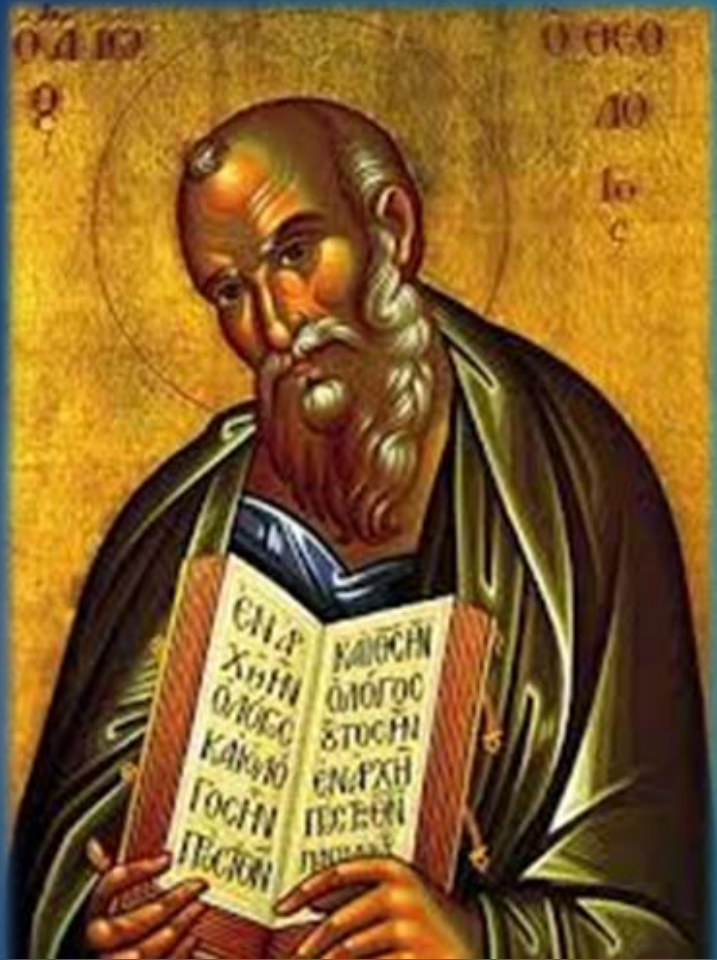

Amen

# Justice

It is about making sure everyone has what is right and fair for them to have—life, health, freedom, and dignity.

Dear friends, since God so loved us, we also ought to love one another. No-one has ever seen God; but if we love one another, God lives in us and his love is made complete in us.

1 JOHN 4:11-12.

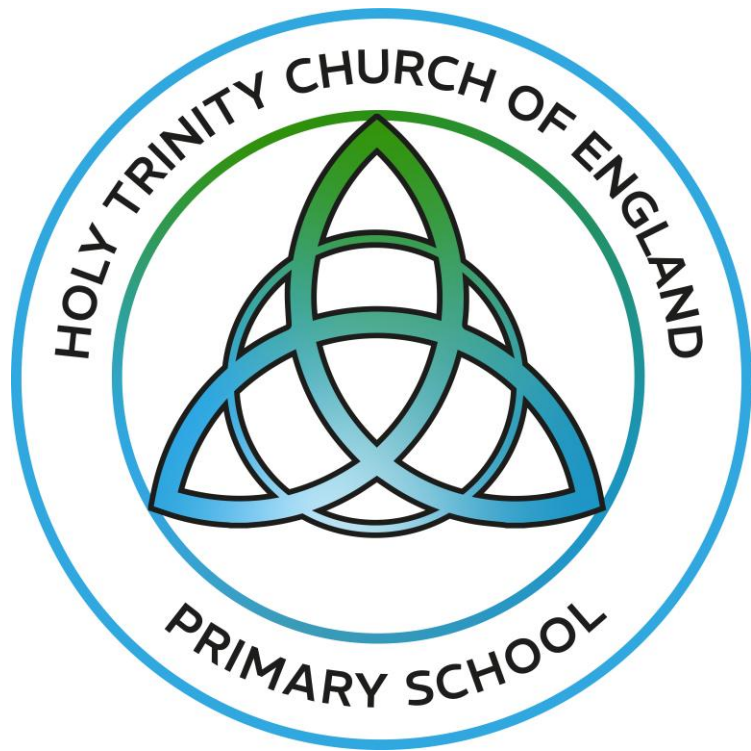

MICAH 6:8:

"And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God."

Justice is about standing up for others so everyone can "flourish and live life in all its fullness" (John 10:10).

If we see someone being left out because they look different or have different beliefs, how can we act justly?
