

## A message from the Headteacher

**Young Voices** A huge well done to our incredible choir for a spectacular performance at Young Voices in Sheffield! The children and staff did us proud, singing their hearts out to a magical medley from Wicked. It was a truly fabulous experience for everyone involved. A special shout-out to Matt, who looked absolutely wonderful rocking his green glittery pompoms! Thank you to everyone for your hard work and enthusiasm in making it such a memorable night.

**Pancake Races** What a wonderful end this half term with all our pupils showing incredible energy and sportsmanship during our school Pancake Races! It was a joy to see everyone flipping and racing with such enthusiasm.

Sadly, the school won't be participating in the traditional Ripon Cathedral pancake races this year. However, the event is a wonderful local tradition, and families are warmly encouraged to attend and join the fun during half term!

**World Book Day** We will be celebrating World Book Day on Thursday 5<sup>th</sup> March. World Book Day will be bigger and better than ever during the National Year of Reading, 2026. World Book Day is a proud partner of National Year of Reading 2026! To celebrate at Trinity pupils and staff are invited to dress up as a character from a book! During the day we will be enjoying lots of exciting book themed activities.

**Art Competition** In exciting art news, over the coming few weeks we will be compiling entries for The Young Artists' Summer Show. This is a free, open submission exhibition for children aged 4-18. Artworks are judged by a panel of artists and arts professionals, with selected artworks displayed online and on-site at the Royal Academy of Arts. Last chance to enter submissions is 4th March 2026. We will be entering work children have completed at school and anything they are particularly proud of from home. The hardest part seems to be choosing - there is a one entry per child restriction! Watch this space - there have already been some amazing contributions!

## Baby news!

Congratulations to Mr & Mrs Hewitt on the safe arrival of Luca Douglas Hewitt who was born happy and healthy on 2<sup>nd</sup> February weighing 8lb 70z. Mia is delighted to be a big sister!

## Safer Internet Week

Ensuring our pupils navigate the digital world securely is a top priority. In alignment with the LDLT Acceptable Use Policy, students have reviewed and been invited to sign that they understand our Acceptable Use Agreement, committing to safe online practices. Our curriculum now includes vital awareness regarding AI and deepfakes. Parents can access these agreements on our website's Safeguarding page or during our upcoming Parents' Evening.

## Class Blogs

To find out what your child has been learning about this week visit their class blog! These are updated every Friday morning on our website. You can find these on our [class pages](#).

## A Message from Mrs Penny SENDCo

As parents and carers of children with Special Educational Needs and Disabilities (SEND), you are the true experts on your children. We are inviting you to complete a brief survey to better understand your experiences within our school community, and we need your insight to get it right. Your input is the most powerful tool we have; by sharing what is working and where we can improve, you directly help us shape the support systems and interventions that lead to positive outcomes for your children. You will receive an email from me today inviting you to respond an online survey. Please take a few minutes to help us ensure every child has the environment they need to thrive and that we have a holistic view of the individual needs of your child.
