

Laver Class News

Week 13/11/23

We have had another busy week in Laver Class. We started off the week wearing odd socks to launch the Anti-bullying week. We went on a walk in the local area and then finished off the week with a visitor (Pete, our school crossing patrol officer) helping us learn about crossing the road safely!

What have we been learning about this week:

Learning Means the World

After exploring a bird's eye view of our school, and the surrounding roads, we went on a local area walk to see what they looked like in real life! We looked for and carefully observed different features in the local area.

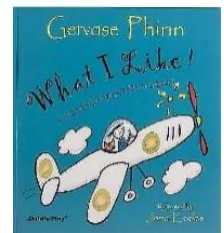

Maths

We continued learning about addition this week, using a number line to help us find how many altogether by counting on. We have also been using what we have learnt so far to help work out addition problems with missing numbers.

Reading

Our class text is *What I like-Poems for the Very Young* by Gervais Phinn.

Writing

We have completed our own 'noises poem' and shared these with others in the class, reading aloud.

We have also written a recount of a birthday party.

PE

We started our new Dance unit this week and used movement to show moods and feelings as we explored travelling through the jungle.

RE

This week we have been learning about the story of when Jesus was born as we think about why Christmas is important to Christians. We went on a story trail to share the story and then sequenced and retold it ourselves.

Our theme is Collective worship is Friendship.
