

Wharfe Class News

Week beginning 13.11.23

We have had another busy week! We have been absolutely thrilled with the children's autobiographies which they did for their homework. The level of detail and care in presentation was outstanding. Thank you Wharfe!

Learning Means the World

We have been working with Nelson the historian to learn about World War 1 and 2. The children have discussed the wars with sensitivity and great interest and have produced some superb group presentations to show the class.

Maths

Maths has been challenging this week! We have been using BODMAS to look at the order of operations and how our answers can be completely different if we don't use this! We have been particularly impressed with children using note taking skills to help them in their learning as well as making links in their learning.

Reading

In our guided reading lessons this week we have been looking at The Giant's Necklace by Michael Morpurgo. We have looked at a range of vocabulary in this text and used dictionaries to help define words.

Writing

In English we have started a new unit on Merlin! We have enjoyed watching clips from this exciting series as well as starting to come up with our own plot summaries.

PE

We have continued with our Hockey lessons. Miss Lee was very impressed with the children's skills!

RE

We have been learning about how religion has caused conflict in the past and discussed the importance of tolerance and respect.

Our theme in Collective worship is Anti-Bullying.
