

Swale Class News

Week 13/11/23

Anti-Bullying Week 2023 has been taking place this week and the theme is 'Make A Noise About Bullying'. We have been focusing on what makes a good friend and showing kindness throughout our school day.

Learning Means the World

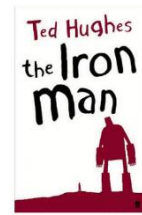

We have been continuing our Learning Means the World theme 'Law and Order'. This week we have been learning about democracy and how decisions are made in this country. We have also been thinking about how our pupil voice can be heard and writing our own manifestos.

Maths

We have started a new topic looking at Multiplication and Division. We have been focusing on our 3, 6 and 9 times tables and learning about fact families and spotting patterns.

Reading

We are continuing to read our class text "The Iron Man" by Ted Hughes and been exploring the vocabulary in Chapter One.

Writing

We have been continuing looking at "Blue John" and considering the use of verbs and the impact they have. We have then created our own setting descriptions using a character we have created.

PE

We became spies in Dance this week, exploring turning, moving at different heights and jumping. We then created freeze frames which allowed us to use our best spy poses.

RE

In RE we have been continuing to think about life as a journey and thinking about the importance of Baptism to Christians and the symbolism of water in the baptism ceremony.

Our theme is Collective worship is friendship.
