Our Federation

Dear families,

Welcome Back

We were delighted to welcome our pupils back to school earlier this week! There is a calm purposeful atmosphere across the federation as pupils and staff settle into new classrooms and routines. The children look extremely smart; thank you to parents for supporting our uniform policy. School looks very smart too! Thank you to Mr Clarkson and the Bulloughs Cleaning Team alongside an army of contractors who worked hard all summer to ensure both schools were ready for the new term.

As we returned to school we were heartbroken to learn of the tragic death of Ihor Bartienieva, who joined our year 1 class after arriving from the Ukraine. Ihor was a popular member of the Trinity community. Ihor had boundless energy and enthusiasm; pupils were drawn to his chatty, charismatic character. Mrs Calland-Brooke, said 'Ihor will be remembered by his classmates as a funny, chatty little boy who was loved by us all. We were all in awe of this little spark of joy who really brought something special to our class.' Our thoughts and prayers are with Ihor's family and friends.

This sad news has deeply affected many within our community, and we are all now attempting to come to terms with our loss together. We will be working with Just 'B' to access support for those affected by the tragedy. Just 'B' is a specialist emotional wellbeing and bereavement support service, working across the Harrogate district, as well as more widely across Yorkshire and the UK. It is part of a family of services, including Herriot Hospice Homecare and Saint Michael's Hospice.

- Just 'B' is available to support members of the community in Ripon and across the Harrogate district impacted by Sunday's road traffic incident.

This is available to all children, young people and adults. A translator can be made available if required.
- Additionally, you can refer into the Just 'B' for 1:1 support by calling (01423) 814 480.

Jenna Collins, Head of Children and Young People Client Services at Just 'B' will be at the Trinity breakfast club on Wednesday at 8.10am to offer support if needed.

When the children have processed the impact of losing a member of their community, we will be organising our own memorial for Ichor.

Roald Dahl Day

In celebration of Roald Dahl's birthday on Wednesday 13th September, we will be joining in with national celebrations for Roald Dahl Day. Children are invited to come dressed as their favourite Roald Dahl character. If they would rather bring a prop that the character might have used in the book, or indeed, bring the book itself, they would also be very welcome! We plan to have a wondercrump day full of swashboggling fun and learning!

Bewerley Park Residential

Good luck to Year 6 at Bewerley Park! We look forward to hearing about your adventures.

Learning Means The World

As we launch our new curriculum, we will be introducing pupils to a number of exciting curriculum creatures! We have been working with [Dave Evans](#) Graphic Designer and Illustrator to create a bespoke set of characters to enable pupils to articulate their understanding of specific subjects. Each character helps teachers set the scene for learning and enables pupils to make connections between previous and new learning.

Spa Class

All of the children in Spa class have been doing so well in their first week at Nursery!

We have been exploring the classroom and having fun painting, making models, building in the construction, making lunch for new friends in the home corner and creating in the playdough. Outside children have enjoyed being builders, fire fighters and police officers. We have been exploring the water using the drainpipes and guttering and colour mixing in the outdoor kitchen. Children have made new friends and are happy to come in to play!

Year 6

Year have made a fantastic start to the new year and have really impressed all staff with their enthusiasm! We have launched our new Learning Means the World unit 'A World of Bright Ideas' and the children have learned all about copyright and why it is so important. We can't wait to get stuck into the unit and learn more about inventors and their inventions!

Inclusion Team

It has been lovely to begin getting to know lots of our wonderful children and their families this week. Thank you all for the warm welcome.

For those of you who may not have met me yet, I thought it might be helpful to share some of the methods I am engaging with to support communication.

- Every morning and afternoon I aim to be on the playground, alternating across both sites, so please do feel free to introduce yourselves. It is lovely to put faces to names!
- I am contactable by email s.cope@htceschools.co.uk. **The SEND inbox is no longer in use.** Please be aware that I am supporting staff and children throughout the day so emails may not be responded to immediately, but I will access these daily.
- On **Tuesday 19th September 2.15-3.15pm** I will be opening the Hub in the Junior school for all parents of children with SEND as an informal 'Meet the SENDCo' session. Parents of children from both the Infant and the Junior schools are welcome to attend and introduce themselves. Sessions will run regularly and will cover a range of days and times, including after school to hopefully allow all parents who wish to attend one to do so. RSVP to Mrs Cope via email s.cope@htceschools.co.uk no later than Friday 15th September please (so I can make sure I have enough mugs, tea bags and biscuits!)

Our teaching staff are with your children every single day and can make the biggest difference to their time in school. With this in mind, please do approach class teachers in the first instance with anything you wish to discuss regarding your child's time in school. The teacher can liaise with me for further support or to arrange a meeting where this may be helpful.

Mrs Cope, Assistant Headteacher and SENDCo

Military Families KS1 and KS2: We are looking to update our Military display on both sites to incorporate all our service children. It would be lovely if we could have pictures of our military children with their service family member in uniform. If you can provide this please email through to d.hooks@htceschools.co.uk by 15th September. Thank you.

Solihull Parenting Classes: Solihull are offering free parenting classes to all those that live in North Yorkshire. The classes can help parents support the social and emotional health of their child. Details can be found below.

- Learn to better read and understand behaviour
- Help them to communicate how they feel
